In re Application of  
Van Lammeren  
Application No. 10/505,350  
Filed: August 19, 2004  
Attorney Docket No. NL02 0143 US

ON PETITION

This is a decision on the petition filed, January 29, 2007 under 37 CFR 1.137(b), to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application is being revived solely for purposes of continuity with a Request For Continued Examination (RCE) filed on January 29, 2007.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Telephone inquiries concerning this decision should be directed to Irvin Dingle at (571) 272-3210. This matters is being referred to Technology Center AU 2816 for further processing.
